LETTER OF EXEMPTION FROM CERTIFICATION Programs on Military Installations

Southern Illinois University Carbondale, Carbondale, Illinois, offering a program at the Little Rock Air Force Base, is exempt from certification under the rules and regulations implemented under Arkansas Code Annotated §6-61-301.

This Certificate of Exemption is limited to the following degree program:

Bachelor of Science in Industrial Management and Applied Engineering

As required by the Rules and Regulations of the Institutional Certification Advisory Committee for institutions offering degree programs on military installations to be exempt from institutional certification, the majority of students enrolled in the program must be military personnel or their dependents.

Southern Illinois University Carbondale is required to notify the Director of the Arkansas Department of Higher Education of any changes in institutional operation and/or educational offerings, including course content, degree titles, and institutional name and mission.

If at any time during this exemption period Southern Illinois University Carbondale, offers programs not listed above, the exemption status will be withdrawn and the institution may be required to seek certification by the Arkansas Department of Higher Education.

This exemption will be in effect until December 31, 2019.
