“49-7-144(b)(2) - The disclosure on the transferability of credits shall be as follows: Credits earned at Southern Illinois University may not transfer to another educational institution. Credits earned at another educational institution may not be accepted by Southern Illinois University. You should obtain confirmation that Southern Illinois University will accept any credits you have earned at another educational institution before you execute an enrollment contract or agreement. You should also contact any educational institutions that you may want to transfer credits earned at Southern Illinois University to determine if such institutions will accept credits earned at Southern Illinois University prior to executing an enrollment contract or agreement. The ability to transfer credits from Southern Illinois University to another educational institution may be very limited. Your credits may not transfer and you may have to repeat courses previously taken at Southern Illinois University if you enroll in another educational institution. You should never assume that credits will transfer to or from any educational institution. It is highly recommended and you are advised to make certain that you know the transfer of credit policy of Southern Illinois University and of any other educational institutions you may in the future want to transfer the credits earned at Southern Illinois University before you execute an enrollment contract or agreement.

Southern Illinois University is authorized for operation as a postsecondary educational institution by the [Tennessee Higher Education Commission](#). In order to view detailed job placement and completion information on the programs offered by Southern Illinois University, please visit <http://tn.gov/thec/topic/authorized-institutions-data> and click on the Authorized Institutions Data button.”
